Here is your opportunity to own an updated home in highly desired Brentwood. From the inviting curb appeal to the peaceful backyard, be prepared to fall in love. Home offers approximately 1,358 sq. ft. of finished living space.

Step inside and notice the open floor plan with hardwood floors and numerous windows that provide an abundance of natural lighting. The living room opens to the dining room and updated kitchen. Every chef will enjoy cooking in this kitchen. The cozy den has a gas fireplace for you to warm yourself on cold winter nights.

Master bedroom has a private dressing room with additional closet space. The 2nd bedroom is also cheerful with French doors that open to the 3-season screened-in porch. The hall bath has been tastefully updated with a jetted tub. There is also another finished room in the lower level perfect for your home office.
